**12:00 pm.** Arrive at The Bullitt County Supermarket at the corner of Hwy 245 & Hwy 61. Pick out a picnic lunch from there awesome hot and cold deli. Pack up your picnic and head down the street to Bernheim Arboretum & Research Forest for lunch. The new 6000 square foot Visitor Centre, which is an A.I.A. award winning sustainable green building will be a great place to let your lunch settle. While you are at Bernheim hike the Legends and Lore Trail. There you will hear many stories about different trees including the Serviceberry Tree, which was so named because it is the first tree to bloom in Kentucky. These blooms would let the Preachers know they could get about the hills and hollows to perform services that the winter freeze had kept them from. You can also walk among the tree branches on Bernheim's new Canopy Tree Walk. Don't forget you're fishing pole, Lake Nevin is a great spot to wet a line. 502-955-8512 [www.bernheim.org](http://www.bernheim.org).
